HOW YOU GET PAID — 3 COMPONENTS ONLY

Simple. Every component is clear, calculable, and fair.

Probation — Months 1–2

#	Component	Amount	Condition
1	Base Pay	\$20	Hit $\geq$ 40% of monthly target (min 20 users)
2	Target Bonus	\$40	Hit 100% of monthly target
3	Net Profit Share	3% of net profit	From all your referred users that month
	TOTAL (Target Hit)	\$60 + profit share	—

Net Profit Share only pays out when DR88 earns profit from your users. Zero platform loss risk.

Second deposit required for a user to qualify as a Valid User (see Valid User Definition below).

Confirmed Staff — Month 3+

#	Component	Amount	Condition
1	Base Pay	\$30	Hit $\geq$ 40% of monthly target (min 40 users)
2	Target Bonus	\$60	Hit 100% of monthly target
3	Net Profit Share	5% of net profit	From all your referred users that month
	TOTAL (Target Hit)	\$90 + profit share	—

NET PROFIT CALCULATION

The Formula: Net Profit = Total Deposits – Total Withdrawals – Bonuses. (Note: Promotional bonuses are always deducted from the gross total).

Payout Timing: While standard Base Pay and Target Bonuses are paid on the 5th and 20th (half-month cycles), Net Profit Share is strictly calculated and paid out once at the end of the month.

Minimum Threshold: To qualify for the 3% Net Profit Share (Confirmed Staff), your users must generate a minimum of ₦50,000 in net profit for the month.

KPI TARGETS
